EDUCATION

University of Texas at Tyler, B.S. in Computer Science, GPA: 3.5/ 4.0 *Aug 2022 - May 2026*

Westcliff University, M.S in Computer Science *Aug 2026 –Present*

TECHNICAL SKILLS

Programming Languages: C++, Python, Java, Swift, JavaScript, SQL, VB.NET, HTML/CSS, C#

Frameworks & Tools: .NET MAUI, React Native, React, Node.js, Firebase, Google Cloud, Git, GitHub, TFS, TeamCity, Stripe

WORK EXPERIENCES

RideAlong - Student Rideshare **Tyler, TX**

Founder & Software Developer | *React Native, React, Node.js, Firebase, Stripe* *May 2025 - present*

- Built and launched a full-stack ridesharing platform for university students across iOS, Android, and web.
- Developed a mobile application with trip booking, real-time updates, authentication, and push notifications.
- Integrated Stripe Connect and Apple Pay for rider payments, platform fees, and automated driver payouts.
- Implemented student and driver verification workflows including document uploads, license/insurance validation, and university email verification.

Elliott Electric Supply **Nacogdoches, TX**

Software Developer Intern → Software Developer | C#, .NET MAUI, SQL, REST APIs *June 2025 - Present*

- Develop and maintain production mobile applications supporting company-wide operations.
- Modernized legacy workflows by migrating offline functionality to API-driven services.
- Resolve application, API, database, and build issues while maintaining CI/CD release workflows.

Reality AI Lab **Remote**

Software Developer Intern | React, Node.js, Python, GCP, Firebase *Jan 2025 – May 2025*

- Developed AI-powered education and career tools using React, Node.js, and Python.
- Deployed cloud microservices using Google Cloud Run, Firebase, Firestore, and Redis.
- Tested and monitored production services using LogRocket and Google Cloud tools.

PROJECTS

RideAlong Mobile App | React Native, React, Node.js, Firebase, Stripe *Jan 2025 – present*

- Architected and developed a cross-platform iOS and Android ridesharing app that connects student riders and drivers through ride posting, trip discovery, booking, seat management, and real-time trip updates.
- Built end-to-end mobile workflows for student and driver verification, authentication, document uploads, push notifications, Stripe Connect payments and payouts, and Apple Pay.

ProdigyPM - AI Product Management App | React Native, Firebase, OpenAI API *Oct 2025*

- Developed an AI-powered mobile product management platform that transforms product ideas into structured PRDs, user stories, prioritized backlogs, personas, and sprint plans.
- Integrated OpenAI with Firebase authentication, Firestore, and Cloud Functions to support AI-generated documentation, persistent project data, and real-time team collaboration.

Smart Inventory Tracking System | Python, Flask, SQL, RFID/Barcode Nov. 2025

- Developed a full-stack inventory management system that uses RFID/barcode scanning to track inventory movement, availability, check-ins, and check-outs in real time.
- Built Flask REST APIs and SQL data models for item lookup, transaction history, audit logging, discrepancy detection, and dashboard-based inventory reporting.

LEADERSHIP

International Student Organization - Texas A&M University–Texarkana **Texarkana, TX**

Assistant President *Sep 2023 – May 2024*

- Helped lead organizational initiatives and campus events supporting the university's international student community.
- Coordinated with student officers and university staff to increase engagement, organize activities, and support international students.

University of Texas at Tyler - Residence Life **Tyler, TX**

Resident Assistant *Jan 2025 – May 2026*

- Supported a residential student community by addressing concerns, enforcing university policies, and connecting residents with campus resources.
- Planned community programs and coordinated with Residence Life staff to promote student engagement and resolve resident issues.
- Responded to resident conflicts and after-hour concerns, helping resolve issues and maintain a safe, supportive, residential environment.
